Greetings in the name of our Lord Jesus Christ.

We, the Hope Mission family thank God for year 2011 and the far that He has brought us. We also thank you our partners in Wisconsin for your dedication, selfless commitment and prayers. We have a lot to thank God for you.

2010 was an especially tough year with 130 children and come January this year, I decided to not admit new students as it was becoming very tough to manage this big numbers. As you know, our capacity was intended to be 60 but we have over the years found ourselves going over and above. With the reduced number of 105 children, management is a bit easier though still with its challenges.

I am still working on trying to meet the registration requirements and still making progress. The education officers have not paid the school a visit and I still keep praying for the best.

We continue to covet for your prayers and support.

Thank you and God bless you.

Train up a child in the way he should go: and when he is old, he will not depart from it.
