SEPTEMBER 2010 NEWSLETTER

The month of September has been wonderful. It was a month of looking back and reflecting on where the Lord has brought us from and looking ahead and seeing where the Lord is taking us.

In all things and situations, we have learnt to give thanks to God. For sure we have a testimony that **WE ARE BLESSED OF THE LORD!**

We plan to have our educational tour to the Nairobi National Park on the 15th of October 2010. Pray with us.

Thank you.
